Planning Council Established At AIS

Meeting on Monday afternoon to establish a Planning Council were, from left to right, Mrs. Peggy Lawson (parent), Mrs. Pat Torrence, Mrs. Bolling Carter, Mrs. Sara White, Mrs. Geraldine Clark, Mr. Clifton Morris, Mr. L. A. Beamon, Mr. Barry Sauls, Mr. Donnie Thornhill (student), Mr. Victor Meadows, Mrs. Dorothy Oliver, Mrs. E. McCraw and Mrs. Jean Hesson.

Faculty, parents, students and administrators met Monday afternoon to develop an annual school plan for Appomattox Intermediate School. The accrediting standards adopted by the State Board of Education require that each school formulate immediate and long-range plans for achieving the school's purposes. Mr. L. A. Beamon, principal, appointed a committee composed of staff and student members as well as representatives of the community, Appomattox Intermediate School Planning Council, as outlined in the Standards of Quality, will be completing the following steps in developing the plan:

1. Assess the current status of the school.
2. Determine the areas that need special attention.
3. Determine priorities among the areas needing special attention.
4. Determine the ways to improve the area(s) chosen for special attention.
5. Develop and implement a plan.
6. Evaluate the plan.
7. Revise, redefine, and choose other areas for improvement.

Each chosen committee member will be working in sub-committees among selected students, parents, and department subject areas so that the Standards of Quality Program assessment for Appomatox Intermediate School can be completed. Culmination of reports will be shared on April 9, 1973, at 2:30 p.m. in AIS media center.

To begin this assessment, Mrs. Torrence discussed the current status of staff development for the 1972-73 school year. Among areas of concern as identified by the AIS staff are: team planning and team teaching; means for individualizing and humanizing instruction; correlation of subject areas; large group, small group, and individualized instruction; career education, development of self-directed students; flexibility in scheduling; stating behavorial objectives; diagnostic techniques in math; and the development of learning packets.

site located on the Appomattox County Poor House Farm.

The board authorized Slagle to hire one bulldozer operator by May 1st, 1973 and to hire a packer truck operator by June 1, 1973. Plans are to have the new landfill for Appomattox County ready for use by July 1st. Slagle was further authorized to get competitive bids on a ¾ ton truck to be used in the landfill operation and to have a trailer built by the Appomattox County High School shop students, cost of the trailer not to exceed $300.00.

The board approved a request from Gene Richardson, Sheriff of Appomattox County, to purchase riot and crowd control equipment for the prevention and control of civil disorders. Board members further agreed to have Richardson attend a Law Enforcement Training School in September of 1973.

In the afternoon session Friday, Eugene W. Peyton, Superintendent of Appomattox County Schools, and Dr. A. A. Fratrick, Chairman of the School Board, appeared before the board to present the School Budget for the fiscal year 1973-74.

The budget as submitted totaled $2,119,674, an increase of $397,395 over the budget of last year. The budget was based on $635.00 per student for a school year, the minimum requirement to meet the Standards of Quality Education set by the state is $628.00 per student per year.

After much discussion, the Board of Supervisors approved the total minimum budget necessary to meet the Standards of Quality Education as required by the state. $16,864 was cut from the budget submitted and the School Board was so informed.

In other business Warren Taylor, County Forester, was authorized to plant 17 acres in pines on the Appomattox County Poor House Farm.

DATE SET FOR FIRST FIVE-STRING BANJO FESTIVAL

Cont'd from page 1

Music Association, Inc. (S. M. A.) is a non-profit, charitable, and educational organization chartered by the Commonwealth of Virginia in 1971.

S.M.A. was founded by Howard D. Wolfe for the preservation and presentation of the folk arts of the early Scotch, Irish, French and English music from the 17th and 18th Century through today. The early settlers brought their old songs to Virginia and time altered them to fit the conditions of a hard frontier life in the New World. Revolution, Civil War, Industrialization, personal tragedies, and local events founded the basis for new songs telling of the ways in which man has dealth with life.

The Virginia State String Music Association is developing a state-wide program to encourage the true art forms of the early music of America. The S.M.A. Program is developing on the local level to savor the atmosphere of each locality, from the Chesapeake to the foothills of the Appalachians, from the harp and violin of the plantation to the bagpipe of the mountains, to the Virginia Reel and the Minuet as practiced on Berkley Plantation and at Monticello.

For the first time, through the efforts of Mr. Vaughan and Mr. Wolfe, there will be National Five-String Banjo Festival in Appomattox County, Virginia, the birthplace and burial site of Joel Walker Sweeney, the inventor of the five-string banjo.

Latin Club Studies Roman History

The Latin II Class of ACHS is involved in a very interesting study of Roman History right now. The entire class is participating in different projects depicting their part of the study. Cathy Paulette, Debbie Rush, Mike Gallier and Pam Moore have prepared a "To Tell the Truth" type proorram on the famous generals of the Punic Wars.

Joyce Foster, Patty White, Delephine Lewis, Diane Parsons and Darlene Johnson are working on a talk show called "The Twilight Zone" concerning the people of the late republic, who caused Rome's decline.

Tim Burnett, Ricky Lewis, Ricky Wingfield, Gary Carter and Mike Quinn have also prepared a talk show dealing with the Plebians and the Patricians,the two classes of Roman society. The talk show named "Dickitus Cavetus" interviews Cincinnatus as well.

E. W. Paulette, Donna Paulette,Mary Parris,Suzanne Kanipe and Julie Chambers have created a skit on the Founding of Rome. Miss Claudine O'Brien, the Latin II teacher, has aided each group in the completion of their project.

Learning how the Romans dressed and lived along with art and literature appreciation has been a part of the study as well as the projects. Working in this way has proven to be a unique and enjoyable way to learn Roman history.

IN MEMORIAM

In Memory of Adolphus R. Cyrus who passed away 10 years ago March 22, 1963

Dear God up in heaven we love him so much.

Just why did he have to go?
We stood beside his bedside
And saw him pass away and
we shall always remember him, as we walk lifes lonesome way. Not being able to say goodbye will always bring regrets. But the one's who love him most are the ones who don't forget. We can not halt the hand of time, or live again the past but in our hearts are memories that will forever last, so treasure him Lord in your garden of rest for here on earth he was one of the best.

Sadly missed by wife, Margaret, children and grandchildren 3-15-1t

82 Traffic Deaths Recorded In February

Richmond, Va. - The 82 traffic deaths so far recorded for February, 1973, cut heavily into the reduction of 13 deaths attained in January, Colonel H. W. Burgess, Superintendent of State Police, reported today.

He said that 82 deaths have been recorded for February, as against 74 for February, 1972, and that the total is certain to increase due to late reports and deaths of persons now carried as injured. The year's total so far is 154, or five below the 159 for the same period of last year. Pedestrian deaths are down from 32 to 18.

Colonel Burgess said the February rise is difficult to explain. "There were no weather extremes or any other factors pointing directly to the situation. These variations occur. Last March 1, we were 20 deaths below the score for the same period of 1971, yet we ended the year 38 deaths above," he commented.

In closing, he cautioned that traffic dangers increase with good weather. Last year, deaths in March totaled 114, or 40 above those of February and the 104 of April topped those of February by 30.
